1 Recurring
This field details your subscription to the services you have purchased. The subscription is invoiced monthly in arrears. The amount of this contract changes each January or on each anniversary date of your contract, in accordance with Cegid's General Terms and Conditions of Sale and the new services subscribed to during the year.

2 Period
The period indicated for the subscription is the next month.

3 Quantity
Quantity refers to the number subscriptions by country and type, POS you are charged for. Ces chiffres variant en fonction du type de contrat, du nombre de magasins et d'autres facteurs.

4 Country package
The country package designates the localization of Cegid services for the country where your products are located. This concerns the adaptation to laws, regulations and other variables.

5 User back office
Figure represents the number of users in your back office (BO). A BO user is someone within your company with access to the configuration of cegid products.

6 Product(s)
Details of product(s) purchased. The quantity shows the number of cash registers you currently have in your subscription.

7 POS (Point of sales)
The quantity shows the number of cash registers you currently have in your subscription and what modules they are equipped with.
